

Planning Your Future?

Come to the Allen County Manufacturing Opportunities Fair October 4 and see what the growing industry has to offer.

Skilled people who choose a career in manufacturing:

- Are on the cutting edge of new technology
- Help make cars, boats, planes, and medical devices - and other things important to our world
- Can eventually earn up to \$60,000 a year with skill-based certifications
- Avoid college debt
- Are highly valued by employers

Date: Saturday, October 4, 2014

Event Time: 9 a.m. - 1 p.m.

Location: Lincoln Event Center at Parkview Field

Admission: FREE
